Joel Miller, Park Ranger, Lake Sonoma - San Francisco District

Kimberlee Riley, Director of Programs/Chief Operating Officer for the Jefferson National Parks Association (JNPA), 314.678.1511, Riley@jnpa.com

Kimberlee has more than 20 years experience in both for-profit and nonprofit organizations offering themed visitor and retail experiences. She passionately serves the cultural and park communities in her position as Chief Operating Officer as well as consultant, speaker, trainer and volunteer. As Director of Programs and COO, Kimberlee is one of five key executives at JNPA. Jefferson National Parks Association provides quality educational products and related services that enrich public understanding and appreciation of America's national parks, public lands and historic places. JNPA operates educational museum shops and bookstores for the benefit of the public and our partners. All of the items that we sell are reviewed by our partners to ensure historical accuracy and appropriateness for the site at which they are sold. Through these products, we directly educate the public about the importance of these historic and cultural sites.
